Golden Eagle

There once lived a golden eagle called Flash. He had lovely soft brown and white feathers. His feathers were so smooth he could fly so fast. Flash lived in a very spooky,

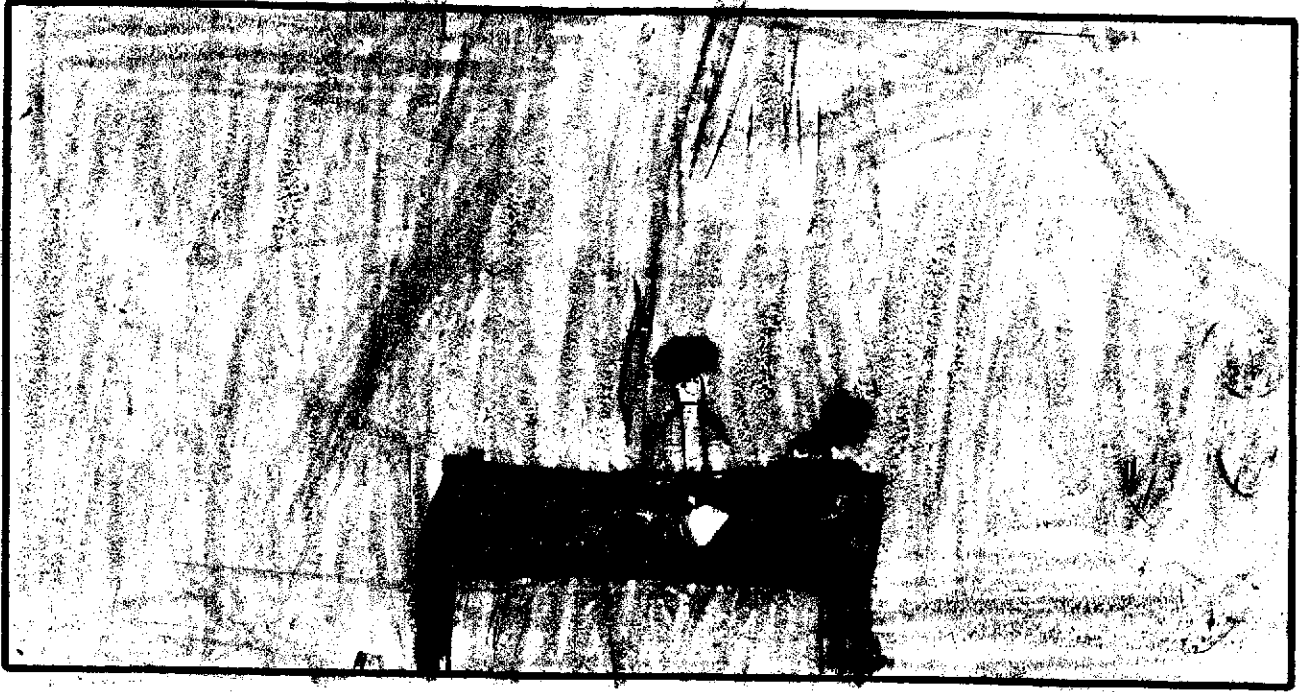

Golden Eagle

dark wood. His home was in a big tree. His owner was a crazy scientist. One day Flash was flying high in the sky near Ashford School. He spotted a nice girl playing in the

yard. This girl's name was
Emily. Elash wanted to be
her friend. But he was too
afraid and shy to talk
to her. Elash often went
home to his tree. He was
feeling sad because he

didn't know if he was going to
see her again. He asked his
clergy scientist to help him
invent a potion to make
Emily like him and make
him brave to talk to her.
When the potion was ready

the scientist put a drop in
Flash's beak. Very quickly
Flash felt better. He
flew to Emily's house to talk
to her. Emily was playing out in
her garden. Flash flew down
and they ^{lived} happily ever after.
