# PIKACHU and Soda-Cat's Adventure

On Saturday Pikachu and Soda-Cat  
met Doggy. They dressed up and played for  
a long time. They dressed up as kings  
and queens. On Sunday Soda-cat went  
to see Pikachu for a minute  
or two. Pikachu and Soda-cat were  
very happy.

Soda-cat was doing a project

about cats as she is one.

Pikachu went to see Soda-cat.

She finished her project on her

own desk. Pikachu loved

Soda-cat. Soda-cat went for a walk.

Pikachu went too.

They got hot-chocolate at  
the café. Then they discovered  
they were in America. Someone  
took them on a plane and  
they didn't know. Oh - no  
how will we get back home?

They have been in America the  
whole time. They saw a forest  
but they thought it was  
a maze. They had got

lost

oh no

Ok. yea I know no I mean

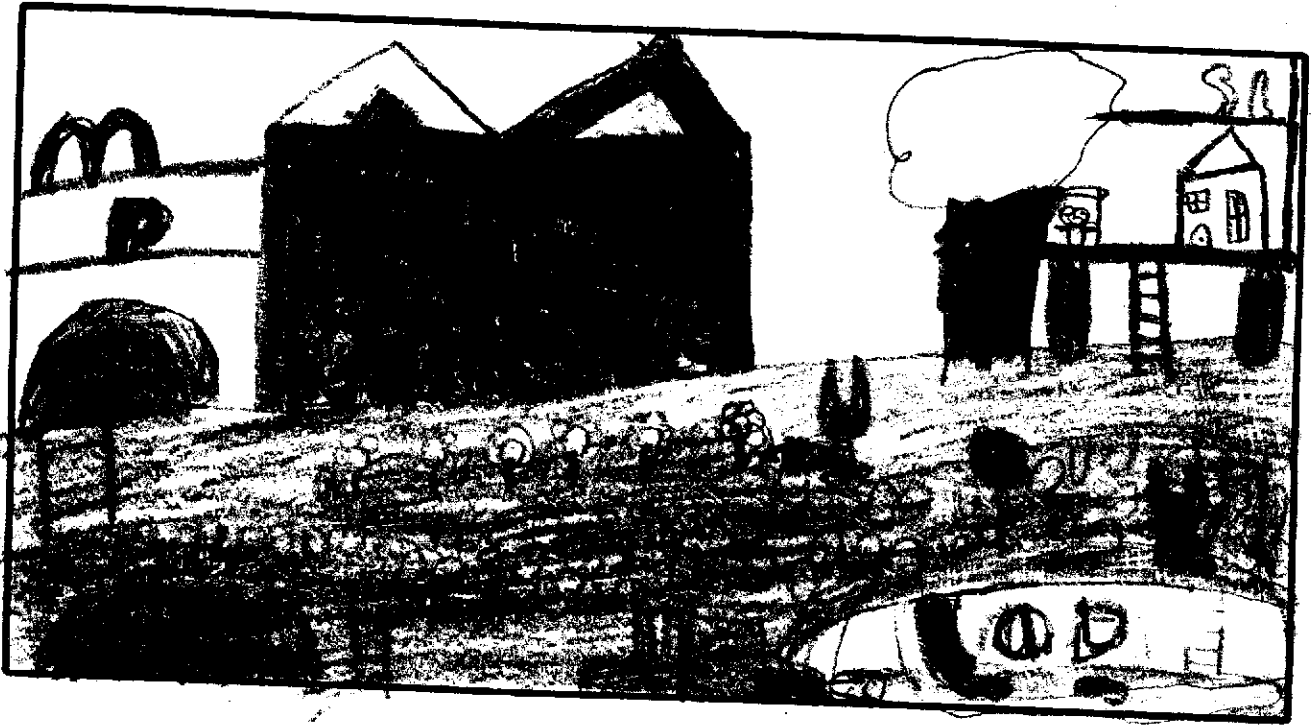

york! no that's not fair.

What's not fair? let's go to  
the forest now. Yay, come on.

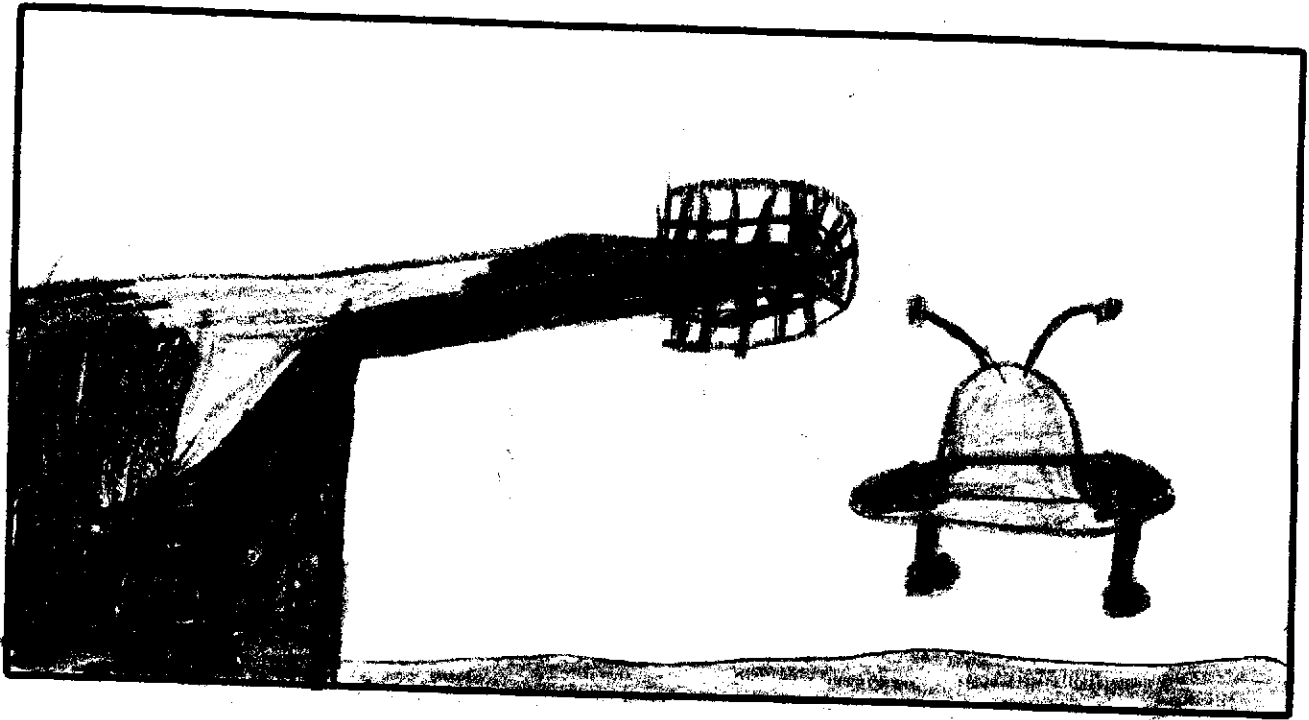

I am Ok lets go yay. They entered  
the forest and found a river.

Soda-cat was watching the fish.

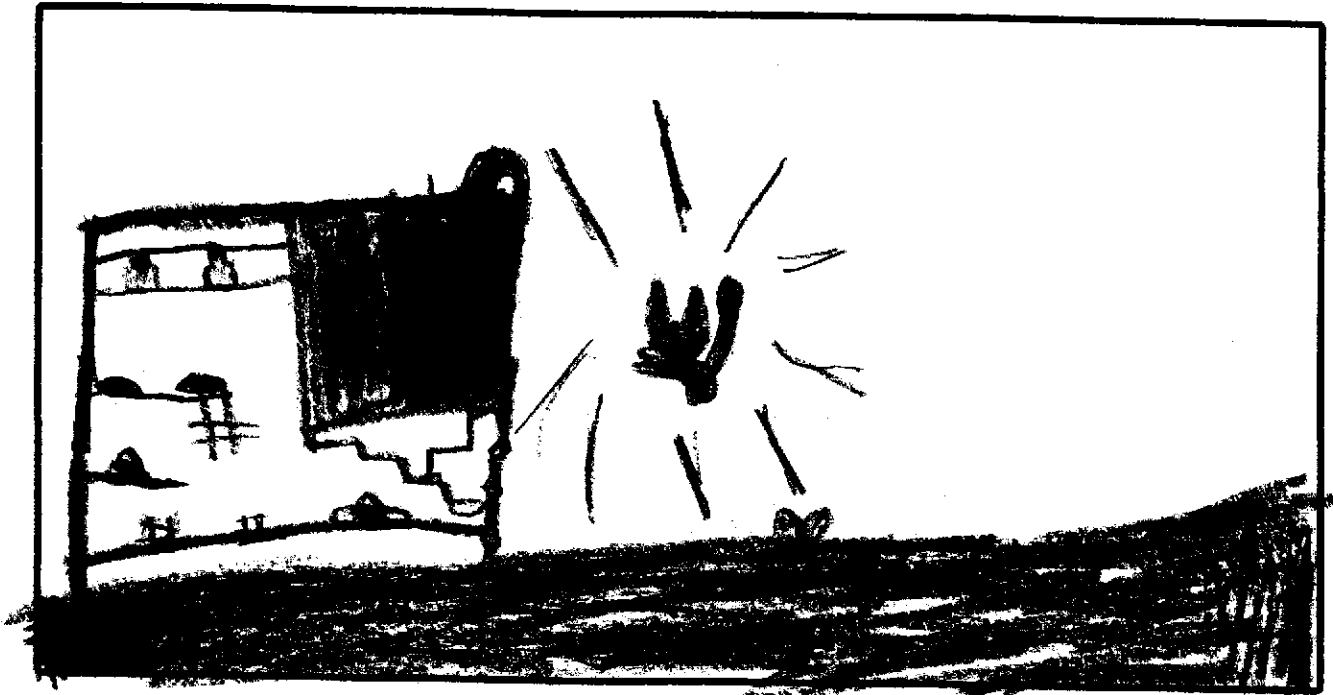

And Pikachu fell asleep on a rock.  
Soda-cat stopped watching  
the fish and jumped in  
and got all wet. Then  
she saw Pikachu asleep and  
went to wake him up. It was  
getting dark and they went to sleep.

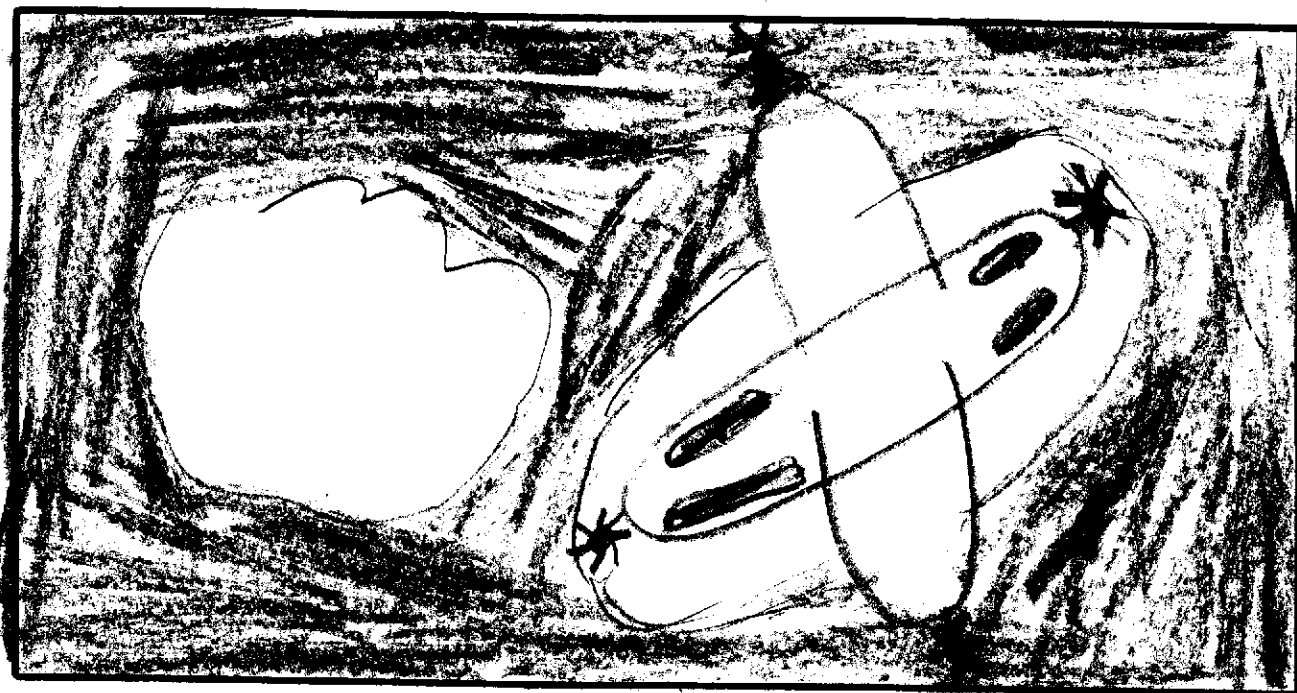

In the morning they woke  
up and walked around  
the river. They found  
another river with even  
more fish. But the fish  
were small. So they  
stripped off their clothes.

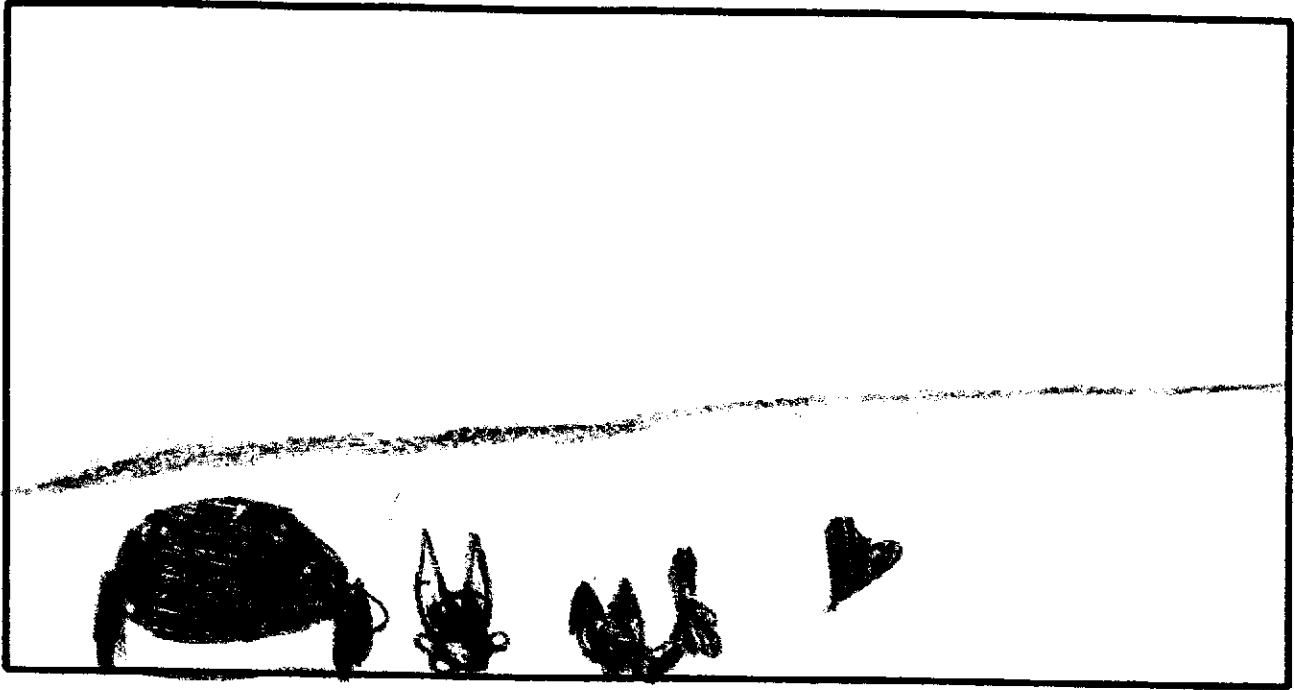

They jumped in and  
some got there. It  
was getting darker than  
the day before. They needed  
to find somewhere to sleep.  
It was turning into  
winter.

They went hunting for dinner  
and they got nothing  
but they did find an  
airport. So they pretended  
they were the boss of  
the airport. Pikachu flew the  
plane back to Africa.

Even though it wasn't meant  
to go there. My aunt travelling  
through the grass outside  
their house. They had lost  
the keys to their house  
and went back a few steps and found  
them. They unlocked the door.

They went in. They faced each  
other and jumped on to  
the couch and shouted  
we do  
now
