Horrid Henry goes to Jail

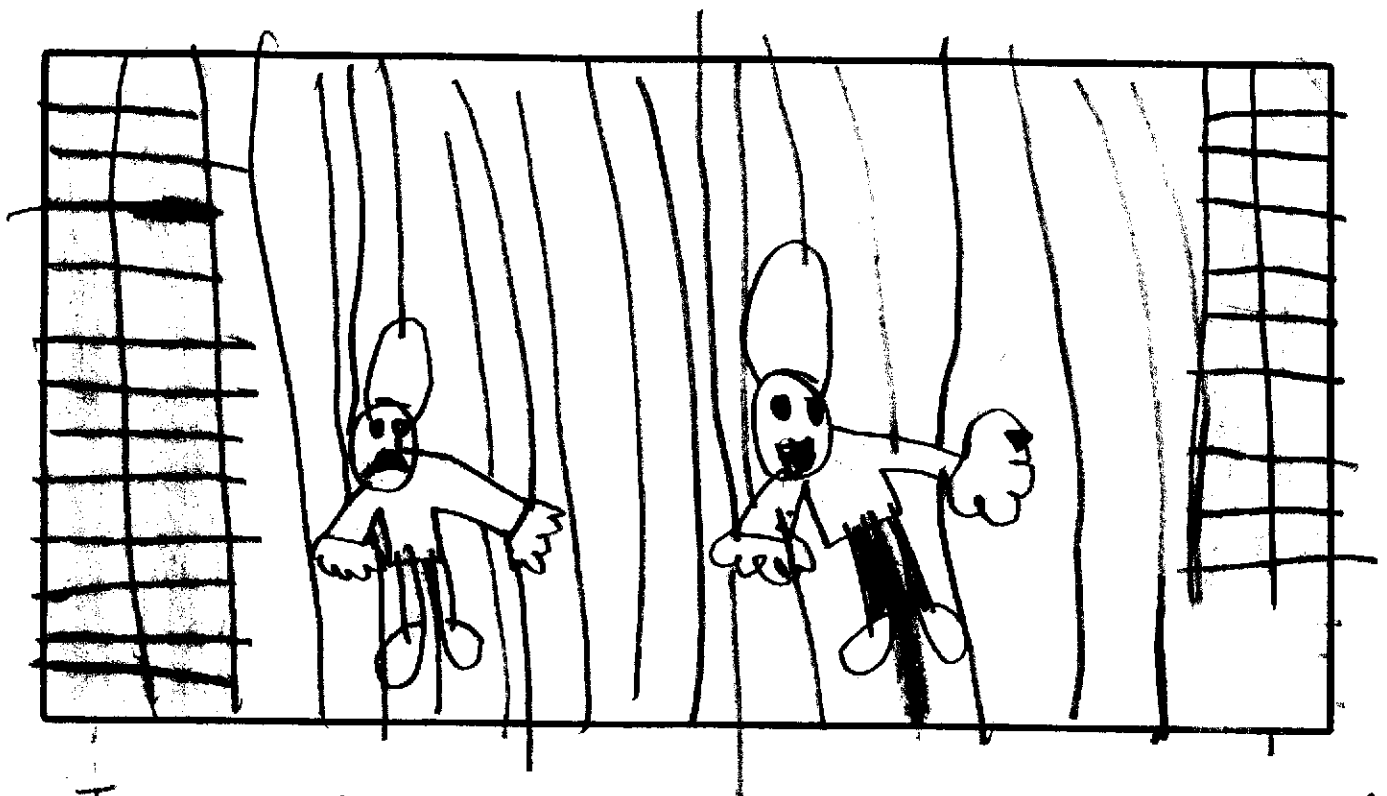

Once there were two brothers.

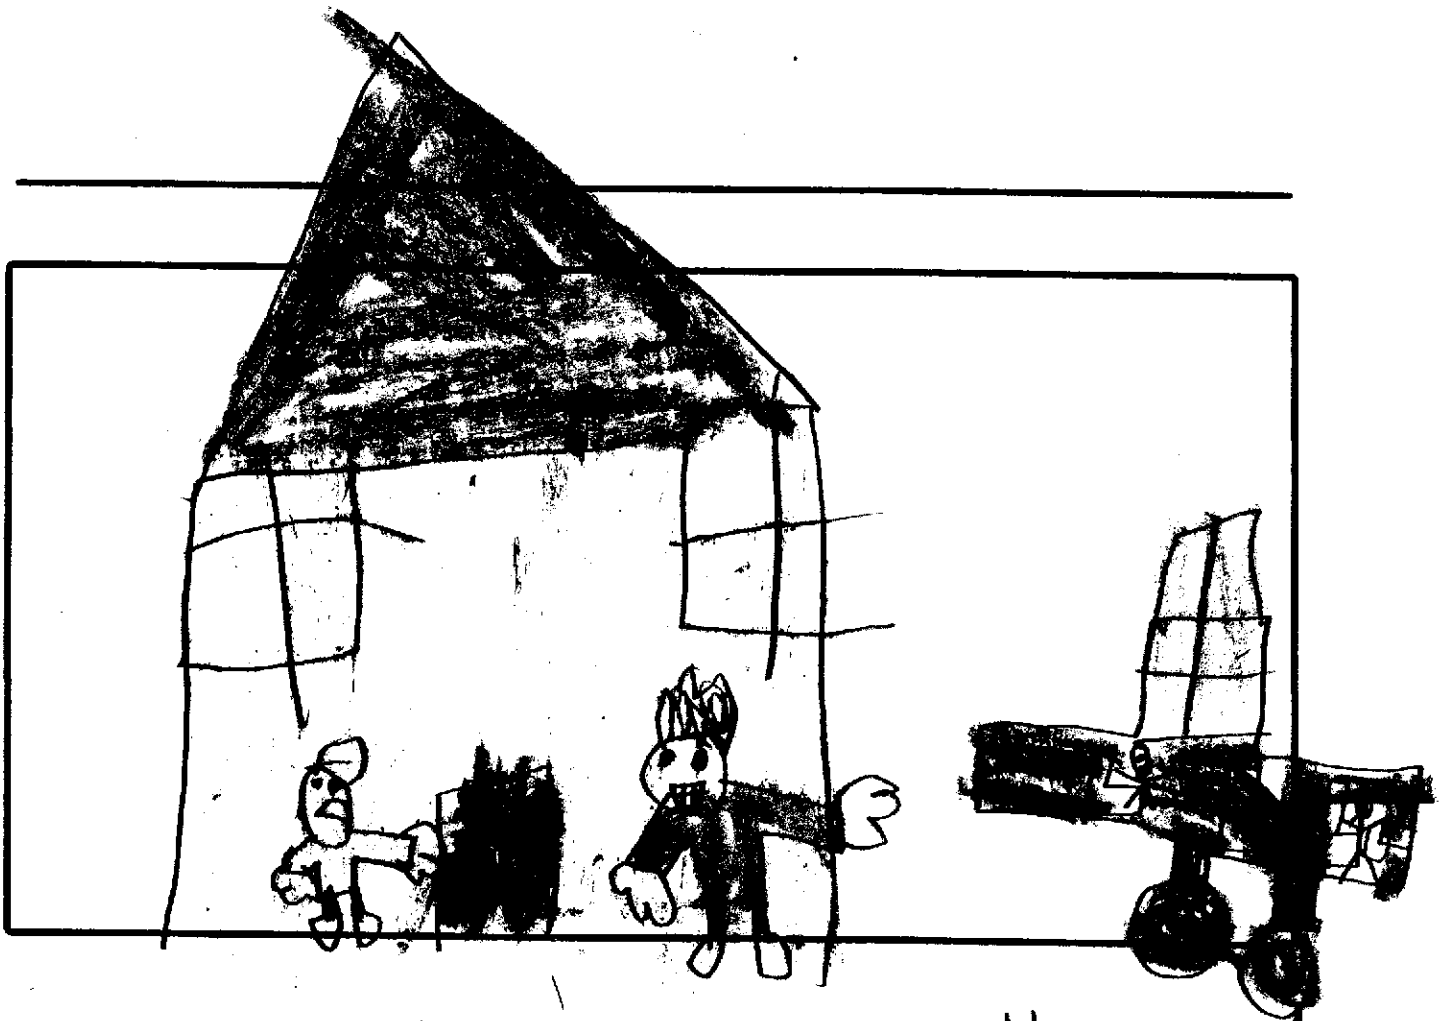

One was called Henry. The other was called Peter. Henry doesn't like Peter because Peter always tells on him for no reason. Peter's nickname is Worm. Henry is thirty and Peter is only nineteen. They live in mansions in Spain.

One day Henry tied Peter to a tree.
Then Henry sprayed Peter with a
hose. Peter was all wet. Peter was
angry and wanted to get revenge. Peter
got a helicopter with a big basket
and dropped all the mud in the
basket into Henry's mansion.

In jail Henry met one of his friends, Ralph. They made a plan to escape from jail. They discovered a loose brick in the wall of the jail. That night when everyone was asleep they escaped by knocking out the brick. Henry and Ralph

raced to Henry's mansion. Henry talked
to Peter. Peter rang the police to
tell them that Henry had not hit him
with a metal bar. The police let Henry
go free but Ralph had to go back
to jail for another week. Very quickly
Peter and Henry went back to annoying
each other! The end 5
